# How to Use the 4 Ws in a Small Group

The 4 Ws are Welcome, Worship, Word and Work. This structure helps guide a small group to create a balance within the group and to continue to learn and grow.

# Welcome:

We need time to get to know group members when we start our meeting, or whenever a new member is invited.

# Worship:

We experience the presence of the Holy Spirit through praise and worship, and we will have healing and recovery through the intercessory prayer.

# Word:

We share our life stories in the light of the word of God. We do not read the Bible, but the Bible reads us.

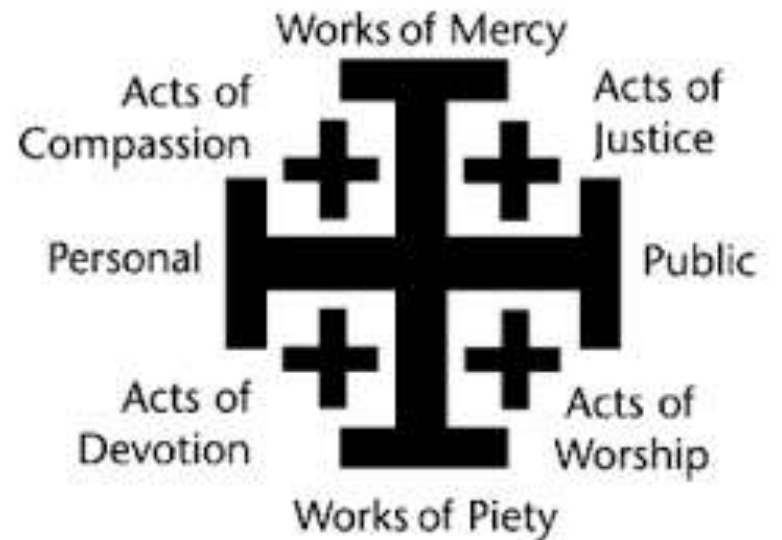

# Work:

We serve each other and our community. We grow through service, and we are pruned through service.
